Mountaineers To Play Colfax Here In Sunday Game

Potters Trample Crippled Mountaineers in Tilt In Valley City

With only nine players on hand at the start of the game and one of these, Catcher Mike Korich, injured, the Truckee Tahoe Mountaineers were hard pressed Sunday and the Lincoln Potters won 11 to 3 in the Placer Nevada League.

Bill Briner and Frank Giovannoni did mound duty for the locals and several walks were issued to account for the big score. The Truckee sluggers outhit the home towners 10 to 9 but could not offer the defense required to stop the onslaught.

The lineup was necessarily shuffled about with John Faight behind the plate, replacing the injured Korich.

In Sunday's game here, Truckee will meet its old traditional rival, the Colfax Fireballs on the local park. Charles Perry, who managed the Fireballs earlier in the season, will pitch for the Mountaineers and this fact alone should create more than usual interest in the contest.

Korich is expected to be back in the game to lend his important strategy and hard hitting. The regular lineup, Manager Tom Dolley said, is to be on hand and a good turnout is looked for.

The score:	R	H	E
Mountaineers	3	10	3
Lincoln	11	9	3

Briner, Giovannoni and Faight; Corneseca and Williams.

Goes to Roseville—

State Patrolman William Gautsche was in Roseville on business yesterday.

Sun Goes Free To Local Boys Called To Armed Service

The Sierra Sun has adopted the same policy which was effective during World War II and will send each boy or girl who goes into the armed services from this area a complimentary copy of the Sun each week.

The Sun was credited by national magazines with being the first paper in the country to make this offer during the last war.

Application for the paper by the boys leaving or their parents and the mailing address is all that is required. The Sun will be pleased to extend this courtesy to those in the service as a small contribution to their efforts.

TRUCKEE MAN TO ANSWER CALL TO ARMS AUGUST 15th

Mrs. Dorothy Stevens, clerk at the office of the Nevada County Selective Service board, said this morning that the first "greetings" to men in this county are in the mails. They are ordered to appear for physical examinations on August 15.

The only name drawn from Truckee in the first call was that of Cerlio Calderon.

In the meantime boys reaching the age of 18 are reminded that they must register on their birthday or the next day thereafter in event the date is on Sunday or a holiday. They may register at the office of the Sierra Sun.

TRAFFIC REMAINS HEAVY IN JUNE THRU TRUCKEE

Traffic through Truckee continues to set new records, according to figures kept at the quarantine station east of here by the State Department of Agriculture.

During the month of June, according to the record, 35,613 cars, excluding locals and cars traveling east, were checked through the station. Of this number 21,092 were with California registration and 14,521 from out of state.

There were also 2463 commercial vehicles and 648 stages, the report shows. The total passenger count for all vehicles was 104,156.

Truckee maintained second place as a point of entry, exceeded only by Yermo which had 46,370 cars, 2858 commercial vehicles and 369 stages and a total passenger count of 139,610.

Stateline on Highway 50 reported 12,760 cars, 222 commercial vehicles and 33 stages, with a passenger count of 35,188.

Brockway at Lake Tahoe tallied 1811 cars, 54 stages but no commercial vehicles during June, the report shows.

Federation Leader To Speak at Club Meeting

Mrs. E. K. Lang of Colusa, president of the Federated Women's Clubs for the northern California district, will be the guest speaker at the Wyethia Women's Club meeting on Friday evening, August 4.

Mrs. Barney Phipps presided at the meeting on July 21, in the absence of the president, Mrs. Robert Gifford. Mrs. Dave Rose was named to replace Mrs. Floyd Calkins as secretary, as the latter has left to live at Concord. The presiding officer reported on the annual tea recently given and discussions on other subjects were held open until the next meeting.

Mrs. Gladys Pedley, who is directing the Gay Nineties Revue to be held in the fall, asked for co operation. Anyone interested in taking part may contact her.

William Porter spoke on antiques, their values and distinguishing markings. Mesdames William Englehart, William Englehart Jr. and Walter Loynd were hostesses for the tea hour.

Vacation Over—

Mrs. Byron Anfield and daughter Goldie returned this week from a month's vacation at Boulder, Colorado.

Fire District Is Asked To Boost Water Payment

Utility Asks Double Fee By '52; 50 Per Cent More Now

The Truckee Public Utility District is requesting that the Truckee Fire District commissioners give consideration to raising the sum paid the district for water service for fire protection.

In a letter to the commissioners, the utility directors point out that the cost of water system operations has increased 40 per cent since 1947 and the trend is still upward.

The fire district pays $1200 a year at present and the utility district is asking that this be raised to $1800 with a further increase to $2400 in 1952.

Manager C. Edmunds of the utility district pointed out that water authorities recognize that in small water systems, 60 per cent of the installed cost is attributed to fire protection facilities, such as larger storage facilities, bigger mains and better emergency protection. He stated that the present payment of $1200 is approximately 18 per cent of the gross income of the town system.

"The district has spent several thousand dollars during the past three years," said Edmunds, "in strengthening the system and its auxiliary pumping plant on East River Street, equipped with duplicate pumps, is capable of pumping 100 gallons per minute."

The utility directors are giving consideration to putting up a bond issue to the voters to further improve the system by installing a 100,000 gallon steel storage tank near the present tunnel reservoir and to connect up the town system with the Gateway system, which now has 100,000 gallon storage capacity.

This work, the directors state, will only be justified if additional revenue can be obtained.

JUDGE LITTLE TO PRESIDE IN FIRST JURY TRIAL HERE

A venire for a jury trial in the Truckee justice court has been summoned for Friday morning at 10 o'clock when Peter J. Duper, 1216 O Street, Sacramento, will go on trial charged with drunk driving.

Duper was arrested by the highway patrol on June 24. He entered a plea of not guilty and his bail was set and a trial arranged. The trial will mark Justice of the Peace R. N. Little's first jury trial during his four-year term.

District Attorney Vernon Stoll will handle the prosecution and Duper has employed counsel.

TRUCKEE SAILOR IS ASSIGNED TO GIANT CARRIER

Mr. and Mrs. John Rablin have returned from San Francisco where they visited with their son, Seaman Second Class Jay Rablin, a teleman, who has been assigned to the aircraft carrier USS Philippine Sea.

The time and place of Jay's joining the huge carrier is naturally a military secret, but it is no secret that the young Truckeeite is pleased and proud of his new post.

Jay entered the Navy several months ago and has been attending a teleman school at San Diego. He informed his parents that he is quite pleased with his work and sent his regards to his many friends here. Just prior to his enlistment, Jay was employed at Doyle's Meat Market.

Returns Home—

Mrs. Oscar Schumacher has returned home after spending some time at Paradise. While in the latter place, she had as her guests Mr. and Mrs. Myron Young of Pasadena, former Truckee residents. Mrs. Schumacher also enjoyed a trip through Oregon and Washington while away.

Sun Beams

Sportsmen, businessmen and everyone else interested in the fishing in this district are urged to attend the meeting at Capitol Hall tonight at 8 o'clock when state officials will meet with members of the Truckee Outdoor Sportsmen to discuss ways and means of improving conditions on the Truckee River and its tributaries. The Wild Life Conservation board has some money to spend on stream improvements. Whether a portion of this goes to the local areas depends entirely upon the response to the meeting tonight. It is important that a representative group be present.

With the protracted dry, warm weather, fire hazards throughout the forest are on the increase and forest service officials have issued warning to be particularly careful with fires. One of the gravest hazards this time of the year with traffic at its highest ebb, is the throwing of burning cigarettes from cars, a habit frequently practiced by careless smokers. All cars are either equipped with ash trays or should be and smokers are warned that throwing burning substances from a car is punishable by law. Use of the ash tray may prevent a major forest fire.

OWNERS OPENING CALIFORNIA CAFE AFTER LITIGATION

After several months of legal complications, court action and a final settlement, Mr. and Mrs. A. B. Polyanich yesterday announced that they are reopening their California Cafe in Truckee this morning.

Action was brought against the Polyanichs by Leo T. (Bud) Fisher, who had leased the property, operated it for some time and then closed it. He charged the owners violated his rights by entering the place while he was absent. The matter went to superior court where a settlement was reached and the owners are again in possession.

Mrs. Polyanich said they will resume their policy of providing only first class food at popular prices and invite their friends to drop in. Ted Trcovich, former chef at the Bay Meadows, has arrived from Lovelock, Nevada, to take charge of the kitchen.

The Polyanichs will continue to operate the popular cocktail lounge adjoining the cafe and will maintain the Greyhound bus agency.

CALL FOR BIDS ON HOSPITAL IS DUE WITHIN FEW DAYS

Charles R. Heller, president of the Tahoe Forest Hospital board, reported yesterday that he had been in communication with Architect George Sellon of Sacramento and the latter indicated bids for the new structure could be called for "within a few days."

Heller said that with the signature of James McIver, giving the board a right away to install a sewer line across his property east of the hospital, the last step in preparing final plans for the project was marked.

It is proposed to run an eight-inch sewer line from the hospital site, half a mile west of here, to connect with the present sewer disposal line near McIver's place in West Truckee.

While it will be impossible to have the project completed this year, work may be started on excavating the foundations construction before winter, Heller declared. The program is being financed jointly by the state and federal governments and the district, each paying one-third.

School Budget Hearing Will Be Held On Tuesday

Costs of Instruction Top Expense Items For Next Year

A total expenditure of $358,937.98 will be required to operate the five schools of the Tahoe Truckee Unified School District, it is revealed in a proposed budget for the 1950-51 year.

A public hearing on the budget will be held at the Tahoe Lake Elementary School, Tahoe City, on Tuesday, August 1, at 8 p.m., Superintendent Everett O'Rourke announced.

The budget is based on a daily average attendance of 909 pupils in the five schools which include the unified high school in Truckee and elementary schools at Truckee, Tahoe City, Donner Summit and Kings Beach. Last year the cost for operating the schools was $251,770.53.

During the coming year, $111,702.41 will be needed for bond interest and redemption and $182,464.45, plus the bond money requirement, making a total of $294,166.86, will be raised through taxes, while $50,290 will come from the state on the basis of the average daily attendance, the budget points out. Another $22,854.27 will be forthcoming for transportation allowance and $5,000 will be paid to the district from the Forest Reserve, making a total income of $82,974.06 from sources other than district taxes.

The largest expenditure will be for instruction, a total of $86,150 being asked for this purpose, with salary for teachers being $75,000. Administration costs will be $13,800, while school plant operation is set at $10,400. Auxiliary services costs are fixed at $24,000. Capital outlay costs, which includes land, improvement of grounds and equipment, was established at $120,000.

LAUNDROMAT TO OPEN THIS WEEK IN GATEWAY PARK

Mr. and Mrs. Gaston Hocker this week announced they will open their authorized Westinghouse Laundromat at the Gateway Park Shopping Center, a mile west of town, Saturday, July 29.

Hocker is spending this week in Los Angeles where he is attending a laundromat school in order to equip himself with the necessary knowledge to assume the management of the establishment.

For a start, Hocker said, they are installing seven machines with drier and other essentials to provide a complete service.

During the first three days, Saturday, Sunday and Monday, registrations will make everyone eligible for the several prizes being offered, Mrs. Hocker said. A factory representative will be on hand to assist in the initial program, following which the Hockers will take full charge.

The public is invited to inspect the new establishment.

Colemans' Son Born At Auburn July 13

Mr. and Mrs. Herbert Coleman of Kingvale have named their son, who was born at Auburn on Thursday, July 13, Stevan Daryl. The boy, who is a grandson of Mr. and Mrs. Martin Johnson of Donner Lake, weighed 5 pounds and 9 ounces at birth.

Couples Move—

Mr. and Mrs. Al Bradshaw have returned to Truckee from Roseville. The former will be an engineer on a work train here for a few weeks. They will occupy their house, vacated by Mr. and Mrs. Floyd Calkins who went to Concord.

Airport Decision Still In Doubt As Study Continued

Civil Aeronautics Administration officials in Washington, D. C., this week said no final action on the transfer of the emergency landing field near Truckee to any political subdivision, nor a definite decision to abandon the field have been reached.

The Truckee field was among 114 others in northern California which were scheduled to be turned over to communities for operation or discontinued.

The suggestiion that the field here be taken over by the Truckee Public Utility District or some other responsible group and used solely as a public field is being studied by the aviation committee of the Truckee Chamber of Commerce. No decision on the committee's findings has been announced.

The CAA has been operating 214 landing fields for emergency use, spaced at intervals of about 100 miles in mountain country and 200 miles in flat regions. It is reducing the total to 100 believed necessary for safety and to reduce expense. The cost of operating the 214 fields was placed at $666,130 a year.

The Blue Canyon field above Colfax is also destined to be discontinued, according to the report.

PUBLIC LIBRARY HERE FORECAST BY SCHOOL HEAD

Everett O'Rourke spoke before members of the AAUW in an informal meeting held Tuesday evening at the home of Mrs. George Zorich at Soda Springs. His talk was principally on the Tahoe-Truckee Unified School District, of which he is superintendent.

O'Rourke pointed out the fact that a long-felt community need will be fulfilled with the cooperation of the new high school when a library, accessible to the public, will be maintained. He also urged enrollment in the adult classes which are sponsored by the school district. Arts and crafts will be available when the next term opens, he said, and provision will be made for teaching any subject in which 15 or more show their desire in participating.

The talk followed a brief business session. Those attending included Mesdames Royal Elf, Kjell Rustad, Chase Harper, G. E. Lewis, R. A. Scott, J. W. Wilson, George Zorich, C. E. Martin, David Anderson, William Randall, C. S. Beavers, all members, and Mrs. Laura Meiss of Sacramento, a guest.

Four Local Women Are Hostesses at Lake Party

Mesdames Vern Shattuck, Robert Gifford, Harold Langille and Walter Loynd were hostesses at a luncheon and card party given in the Swedish Farm House at Tahoe City Wednesday afternoon.

Seasonal cut flowers centered the long table. At dessert time, Mr. R. N. Little was presented with a gift in honor of her birthdate, which occurred two days earlier.

Other guests of the afternoon were Mesdames Tony Ghirard, A. P. Leitch, Anton Mahne, Roxie Archie, Ray Scott, C. B. White, B. J. Riordan, Robert Bick, William Englehart, E. L. Loynd, E. V. O'Rourke, William Englehart Jr., Jerry Lewis, Hazel Nelson ,Robert Leamon, Mary Zunino, Belle Williamson, Nace Firpo, Edith Fay, Elden Tonini, Walter Barrett and Annie Tonini. Mrs. Fay and Mrs. Elden Tonini were given first awards for bridge and canasta, Mrs. Annie Tonini and Mrs. Barrett being credited with consolation awards.

Fishing Fine on River Says M. L. Jennings

M. L. Jennings, district Southern Pacific superintendent, has been catching daily limits of trout on the Truckee River during a stay here and reports that fishing is "fine." On one occasioin he had to call on Bob Tonini of Truckee to help him land a tough 3½ pound beauty.

Mystery Unsolved As Officers Seek To Identify Body

Reno Lead at Dead End; Officers Check Colfax Wreck Angle

Constable N. F. Dolley and Deputy Sheriff Fosten Wilson said this week they have learned there is no connection between the body found Sunday morning in the Truckee River, half a mile east of Hirschdale, and the finding of a quantity of scattered fishing equipment at the mouth of the Little Truckee River a month ago.

Wilson said he has learned that the equipment along the river a mile above where the body was discovered had been left by a Reno fisherman who was injured in a fall and left for home without taking his pole, creel and other equipment. He recovered from the fall but did not return for his belongings.

The badly decomposed body was found by Joseph C. Cordozza, a fisherman, at 8 o'clock Sunday morning. Wilson and Dolley were summoned and started an investigation. It is believed the body had been in the water for nearly 30 days.

There was no identification with the exception of a signet ring with the initial "M". The body was attired in a striped shirt, striped brown trousers and tan oxfords. It was of medium build and height. He was about 35 years old.

Officers now are investigating a new angle. A month ago an abandoned wrecked car was found near Colfax and the mystery of the missing occupants has never been solved. Dolley said the man whose body was found Sunday may hvae been the victim of foul play but the body was too badly decomposed to determine this point.

SHASTA COUPLE ARE UNITED IN CEREMONY HERE

The home of Justice of the Peace and Mrs. R. N. Little was the setting for an informal wedding Tuesday evening in which Joyce Elaine Roberts and Joseph W. Bader, both of Project City, Shasta County, were married. Justice Little performed the ceremony.

Relatives and friends present were Mr. and Mrs. Lloyd Seay of Long Beach, parents of the bride; Mr. and Mrs. John Alford Jr., Yerington, Nevada; Mr. and Mrs. Jack Ellis, Mr. and Mrs. Clifford Ellis, Mr. and Mrs. Karl Kielhofer, Mr. and Mrs. Kenneth Grayson Jr., and Thomas Ellis, all of Truckee. The Graysons were best man and matron of honor.

A reception followed at the home of the Kielhofers, after which the group went to Cal-Neva, Lake Tahoe, for a wedding party during which the cake was cut and served.

First Birthdate Feted At Family Dinner

Gail Englehart celebrated her first birthdate on Monday, July 24, with a family dinner at the home of her parents, Mr. and Mrs. William Englehart Jr. The dinner was topped off with a birthday cake, featured by one candle. Among those attending were Mr. and Mrs. Wm. Englehart Sr., John Brown, Mrs. Belle Williamson, Mrs. Harry Barnes, Mr. and Mrs. A. W. Logomarsino and daughter Carol, Karen Olsen and Mr. and Mrs. A. Fippin and children.

Marks Return Date At Party Sunday

Mrs. Belle Williamson was hostess at a dinner Sunday night at Lazzari's Star Hotel dining room for a group of her friends. The occasion was the first anniversary of her return to Truckee. Guests at the affair were Mr. and Mrs. William Englehart Sr., Mr. and Mrs. William Englehart Jr. and children, Mr. and Mrs. Hal Gilson, Mrs. Rose Kielhofer and John Brown.

Swimming Classes Started for Children

Mrs. Walter Loynd, chairman of the Red Cross committee to arrange swimming lessons for local area youngsters, announces that the classes started at the Beacon Hill pool on Donner Summit Monday, July 24, and will extend for two weeks. Classes are conducted from 9:30 until noon each day and Miss Evelyn Gassoway is in charge.

North Tahoe

by T. BURROUGHS

Folrth Annual Assembly, District 164, Rotary International. North Tahoe again came to the front when, for two days, July 21 and 22, a spirit of gaiety and good fellowship prevailed in our community. The occasion was the 4th annual assembly of Cal-Vada District 164 of Rotary International. The primary motif of the assembly was for giving instructions to the the 1950 presidents and secretaries of the district. However, an invitation was issued to all Rotary members and their ladies. The final tally, after all had registered at the Buckhorn Inn, came to 210, a representation from 33 of the 37 clubs of this district. The concensus of opinion, sa expressed by District Governor Walter K. Jansen and past district governors as well as everyone else present, was that the Rotary Club of Brockway as host club, may well be proud of its successfu undertaking.

Business sessions were held at the Brockway Theater under the direction of Gov. Jansen of Lincoln, assisted by past district governors Steve Lombard, North Sacramento; Paul Claiborne, Auburn; Fontaine Johnson, Sacramento; and Link Peckinpah of Quincy. The social functions were held at Cal-Neva Lodge and Tahoe Vista Inn.

Thursday morning, following registration, some participated in golf and trap shooting tournaments followed by a noon luncheon at Cal-Neva. This luncheon, to which the ladies were invited, was sponsored by the Minden Club and had as the main feature of the program a lecture by Reverend Harvey of Minden who took as his topic "The Barometer Could be Right." In the afternoon the assembly was called to order by Don Bowman, president of the Brockway club, who welcomed all visitors and introduced Lombard and Jansen. Each of the latter addressed the assembly as did Peckinpah. During the afternoon, the ladies enjoyed a boat ride on Lake Tahoe. That night a presidents and secretaries dinner, preceded by a cocktail hour at the Buckhorn, was held at Tahoe Vista Inn. After dinner, a program was given, consisting of songs by George Stinson, the singing patrolman of Sacramento, an interesting lecture by Dr. G. A. Werner of Stockton, and community singing led by Cliff Mott and accompanied by Walter Ford both of Sacramento.

Friday morning a chuck-wagon breakfast was served at Cal-Neva sponsored by the Tahoe City Club, having Bishop Noel Porter of Sacramento as guest speaker. The remainder of that morning was given over to constructive talks and instructions pertaining to various club functionaries. During the day the ladies were taken on a bus trip around the lake, accompanied by Hans Reiss, an authority on Tahoe lore, who explained the various points of interest. A noon luncheon, ladies invited, was held at Cal-Neva, sponsored by the Truckee club. The program consisted of dances presented by some 20 members of Mrs. Pedley's dancing class. Friday night brought forth the finale of the assembly, with dinner and a floor show at Cal-Neva, with a most wonderful demonstration of some local talent in the art of square dancing. Rotarian Bud Mandeville and his lady, Evelyn, are due credit for excellent training of the youngsters who so splendidly did those four squares for the entertaiment of the visitors. Girls and boys partcipating were JoEllen Ashton, Jean Holmes, Diana Abbott, Loma Sorensen, Bill Port, Clyde Mandeville, David Miles and Dick Mandeville.

Up for sheer joy of being at Tahoe are Edd and Mary Starr, right in the lap of the Gods.

Alice Sorensen has been to Paradise visiting her mother, Mrs. Mae Tucker, who shows great signs of improvement after a short stay in the Paradise hospital.

The Howard Copes of Bear St. Motel were surprised when Mr. and Mrs. Andrew Brown of Redwood City dropped in over the weekend for a visit. Emma and Howard had oftn thought of trying Squaw Valley's Sky Chair ride. Now, what to do for the Browns? Why, give they a Sky Ride, of course. So, off they went to Squaw Valley where the trip was made all right. But Brown said no when time came for the return trip down hill. It is only about three miles down, over creeks, boulders and some mighty rough country. This the gay quartet made by foot, after which that yum, yum Italian dinner at Lazzari's in Truckee hit the spot.

Lou and Dick Boyce are at home in their little building in the rock quarry after selling their beautiful home in Tahoe Vista. The new owners are Mr. and Mrs. Clarence Schrader, who were given possession on July 23. Welcome to Tahoe, Mr. and Mrs. Schrader.

The A. E. Abbotts are excited about becoming grandparents again. Son Aaron and his wife Evelyn are the proud parents of a brand new son. The Aaron Abbotts have their home in Bakersfield.

Friday, July 28, has been set for the Placer County Health Department's child health conference at Lake Tahoe. The sessions will be held, as usual, at the offices of Dr. John Keys in Tahoe Vista at 1 p.m.

An Oakland woman, Shirley Mae Schirmer, was injured early Monday when her car skidded off the highway near the North Shore Club. Witnesses said she was trying to turn from a side road onto the highway when the accident happened. Her 1950 Buick was badly damaged.

Mr. and Mrs. Edward Zuchini of San Francisco visited last weekend at the home of Mr. and Mrs. Ray Yurich. The Yurich family have now returned to the bay area.

Guests last Wednesday at the home of Mr. and Mrs. Frank Seymour were Freda Caserton of Canton, Ohio; Josephine Wyman, Watsonville, and Frank Seibold, Sparks. On Friday Mrs. Seymour left for San Francisco to accompany Nancy Jones home. Miss Jones had been visitiny relatives and friends in Floriston, Reno and Sparks.

R. L. Drake spent last Thursday at the home of his son-in-law and daughter, Mr. and Mrs. L. G. Walker. Drake escorted home to Floriston his granddaughter, Patsy, who had visited for a few days with her grandparents in San Francisco.

Visiting Mr. and Mrs. Lyle Ingals last week were Mr. and Mrs. Carl Parks of, Sparks.

Mr. and Mrs. Al Vineyard of Sparks were weekend guests of Mr. and Mrs. Julius Smits. Miss Marjorie Theis of San Francisco is now visiting the Smits family.

Mr. and Mrs. Charles Seufferle, who have been vacationing for the last month at the home of her parents, Mr. and Mrs. H. C. Savage, returned on Monday to their home in Oxford, Ohio.

TAHOE STATISTICS

TAHOE CITY— The lake level on Tuesday was 6226.85 and 328 CSF were going out. The coldest mornings were felt on July 19 and 20, registering 40 degrees, and the highest temperature of the week was 82 on Monday.

NEVADA 4H CAMP OPENS MONDAY ON TAHOE'S SHORE

Senior 4H Club boys and girls from all agricultural sections of Nevada will open the 1950 state 4H Club camp at Lake Tahoe on Monday, July 31. About 300 in number, they will spend a week on the shores of the lake in a program of wholesome recreation, training in self-government and instruction in farm and farm-home practices.

Many outdoor sports will be available to the campers including swimming, table tennis, horse shoes, volleyball, baseball, hiking, boat rides on the lake, crafts and similar recreation. Each evening the youngsters will gather around the camp fire in the amphitheater under the pines for a program of singing, skits and other entertainment.

Coast Guard Boat Races Sunday Near Tahoe City

TAHOE CITY— The program scheduled for the July 30 regatta, sponsored by Coast Guard Flotilla Auxiliary 61 of Lake Tahoe, was released Monday by Fred Main, vice-commodore. The big event will start at the Tahoe Boat Company pier in Tahoe City at 9:30 a.m. and will be broadcast over Reno radio station KOH by a special sports announcer for the first time in the history of this end of the lake. Loudspeakers will keep the 8,000 or more spectators expected informed on all events.

This regatta will be different in several respects from any other staged in this area. For the first time, an all-woman's championship race with only women drivers and riders will be held. A championship ski race over a 4½ mile course, open to all, using any powered boat, and a novelty kids' race for children up to 14 years of age in stock boats havnot more than 5½ horsepower, over a shorter course, will be features of the day.

This regatta welcomes all entrants. They need not be members of the Flotilla. Contestants will be allowed to enter any and all events they choose, the only requirement being a $5 entry fee. Boats are being classified by cubic inch displacement and all craft must have stock displacement hulls with reverse gears and not more than 250 cubic inches. All events are open class races.

Prizes will be on display in the show rooms of the Tahoe Boat Company until Sunday. Main reports that sterling silver percolators with trays, creamers and sugar bowls; cocktail shaker sets complete in sterling silver; electric roaster-broilers, and other such gifts will be presented to the winners. There are eight and possibly nine events on the program.

It is reported that both Henry J. Kaiser of Tahoe Pines and R. Stanley Dollar Jr. of Dollar's Point are readying their fastest racers for Sunday's events, which should give spectators some rare thrills.

AT HOMEWOOD

Former guests vacationing at Homewood Resort last week were Mr. and Mrs. Herbert Olson and daughter Susan, Los Angeles; Mr. and Mrs. F. Jakobsen, Oakland; Mr. and Mrs. Abe Schneider and son Sheldon, Marysville; Mr. and Mrs. C. D. Holman, San Francisco. Woodland was well represented at the resort, guests from there including Mr. and Mrs. Elmer Armfield, Miss Jeanne LeCornec, Mr. and Mrs. Wendell Pafne, Mr. and Mrs. Darrell Day and Susan, Mr. and Mrs. Paul Reiff and family, Mr. and Mrs. Stan Daley. Mr. and Mrs. C. D. Huff's son, Don, spent a few days with them, as did Mrs. Huff's sister, Mrs. Edwin Bullard from Oakland. Mrs. R. C. Bridge of Acampo was also a guest.

CROSS-PYLE TROTH REVEALED AT RECEPTION SAT'D'Y

TAHOE CITY— Formal announcement of the engagement of Miss Sally Cross, daughter of Charles Cross of Tahoe City, to Howard Alden Pyle was made at a cocktail party at the Cross home Saturday evening, July 22. More than 80 guests dropped in to offer congratulations. Miss Cross was assistel in receiving by her aunts, Mrs. Jude Burton and Mrs. Marion Cross, both of Merced, and her father. Boughs and ferns decorated the large attractive living room and two red hearts adorned the wall.

Miss Cross is a graduate of Berkeley high school and University of Nevada where she studied primary teaching. Pyle is the son of Mrs. Anna Pyle of Auburn and a graduate of Placer College where he was a top ranking member of the ski team.

The couple have set the second week in August tentatively for the ceremony and plan to move to Hayward, where the groom is employed, to make their home.

The first "Big Game" between University of California and Stanford University was played March 19, 1892.

Iron Man Again Breaks Tahoe 'Cycling Record

TAHOE CITY— On July 9th, Ubaldo "Shorty" Manocchi for the fourth successive year pedaled his racing bike around Lake Tahoe's 75-mile shoreline, clipping almost an hour off his last attempt. With each try, Manocchi's time has improved, his record to date reading 8 hours 10 minutes in 1947; 7 hours 10 minutes, 1948; 5 hours 44 minutes, 1949; 4 hours 58 minutes this year. The first three runs were made on an English bike, equipped with three gears, but this year a four-gear Schwinn Paramount racer, hand-made in Chicago, stripped of all unnecessary equipment and weighing about 28 pounds, was used for the run.

Cycling is a hobby with Shorty and setting a speed record for negotiating Lake Tahoe's difficult shoreline has remained his most ardent desire. This year he started from Tahoe Tavern at 8:30 a.m. after having worked all day Saturday as caddy on the Tahoe City golf links and all that night as night man at the Tavern, getting off work at 7:00 a.m.

Because of his ability to hold down two jobs at a time all summer and his stamina despite lack of sleep, his associates have coined numerous nicknames for him. Some of these are "Iron Man", "Mighty Mite", and the "Baron of Chandler." The last was added because Shorty spends his winters at Chandler, Ariz., where he is employed at the San Marcus Hotel. When off duty during the last eight months there, he rode a total of 6,000 miles testing his new bike. His total mileage over the past three and a half hours is over 21,000 miles.

Manocchi's accomplishments on his bike are unique when his age and size are taken into consideration. He is only five feet and a half inch tall and on June 3 observed his 52nd birthday by riding 152 miles in 10 hours 20 minutes in a temperature of over 100 degrees at Chandler. He tips the scales at 115 pounds.

Shorty was born in Gubbio, Italy, and came to the United States in 1913. He was a barber in New York City for 27 years but since coming west has been a jack of all trades. He served with the infantry and cavalry in the last war, having entered at the age of 44.

In describing his latest record-breaking ride, the Iron Man declared, "I found those 75 miles around Lake Tahoe harder to make than the 152 miles I made in 100 degree heat at Chandler. The high altitude and steep highway are a real test for any rider. Except for brief rest periods during which I ate raw eggs and drank wine or beer for quick energy, I rode every inch of the way.

"The time given for the record is actual riding time. The long steep slope of Emerald Bay was the hardest pieces of road and my best time going down hill would run around 45 miles per hour. I find the trip easier by starting out via the north end of the lake, going through Tahoe City and coming back by way of Richardson's and Meeks Bay. Had it not been for headwinds all the way, I believe I could have made even better time than I did." Asked if would try again next year, Shorty grinned and replied, "I hope to continue breaking my own records until I'm 100."

Shorty's hobby does not stop with bike riding. He is also a strong advocate of safety on the highway. He quotes statistics in the Cycle Magazine of America stating that 19 million persons are riding bicycles on the highways of the naton today; that over 35,000 die and over a million are injured each year through accidents. Through all his years of riding the crowded highways and country roads, he has observed every rule advocated for safety and has always shown every courtesy within his power. He has not always found the motoring public reciprocating. One woman near Glenbrook during his last record run ran him completely off the highway although not another car was in sight. Some drive, he declares, as though a bicycle has no right on the road and some have even cursed him, even though he rode lawfully at the right side of the road. Shorty believes that if every person who drives a car would get out once a week and ride a bike in traffic they would soon learn to respect the rights of others and drive more courteously and with greater safety.

CROWD ATTENDS PARTY GIVEN BY WOMEN'S CLUB

TAHOE CITY— One of the lovliest parties of the current summer season was given at Tahoe Community Center hall on Thursday last by members of the Women's Club of Tahoe. A tasty luncheon was served on card tables, each centered with a bowl of bright colored pansies.

Card playing occupied the later afternoon hours, with bridge and canasta winners Mrs. Stell Englehart of Truckee first at contract and Mrs. Agnes Mahne of Truckee second; Mrs. Georgia Lambert of Tahoe Park first at canasta and Mrs. Roselia Pearson second. Mrs. Muriel Henry of Lake Forest received the free permanent wave donated by Kathleen Brandt and Mrs. A. A. Snyder of Lake Forest took home the beautifully decorated cake.

Attending were Mesdames Otillia Zauner, Anne Martin, Beulah Carnell, Fred O. Kehlet, Georgia Lambert, Zella Mortimer, P. G. Friday, June Gowing, Ruth Mayfield, A. A. Snyder, Martha Snyder, Roselia H. Pearson, Vey Young, Doris Clarke, Laura Wilson, Fern Schlueter, Evie Waters, Ellen Jackson, Ila Martin, Margaret Finger, Grace Schram, Ida Simmonds, Jeannette Mitchell, E. Marguerite Webb, Eleanor Swanson and President Dorothy O'Rourke, of the Women's Club of Tahoe; Bess Fraser, Klamath Falls, Ore.; Esther Wells, Piedmont; Beatrice Sisk, Oakland; Erma Richard, Auburn; Ella Gaussoin, Fairfax; and Mesdames Lucile Bick, Irene Englehart, E. Belle Williamson, Agens Mahne, Belle White and Stell Englehart, all of Truckee's Wyethia Women's Club.

Crystal Bay Sewer May Be Started Soon

One and possibly two sewer districts will be created by Washoe County, Nev., in the Crystal Bay area at Lake Tahoe.

The county commissioners last Thursday authorized County Engineer A. E. Holgate to survey the lake community, after a petition was received from residents there seeking sewer service.

W. W. White, state sanitary engineer, said there is a possibility the project could be turned into a cooperative venture, with Californians and Nevadans participating, since the area to be served is at the state line.

ASSESSED VALUE IN TAHOE DISTRICT SHOWS BIG GAIN

The assessed valuation of the Lake Tahoe area in Placer County's 5th supervisorial district registered the second highest gain during the past year of any other portion of the county.

This was revealed in the report of County Assessor Lou P. Mohan to the board of supervisors. For 1949-50, the total assessed valuation of the area was $3,587,245, rising to $3,944,525 for the coming fiscal year — a net gain of $357,280. The area effected is that around Homewood and Tahoe City.

In the Kings Beach, Tahoe Vista and Brockway district, the assessed valuation went up from $2,898,730 to $2,911,805, a net gain of $13,075.

For the county as a whole, the increase was $1,838,695 for a total of $35,299,305.

"When the public utility figures are available, I think the total assessment roll will be about $58,000,000," Mohan said. Public utility figures are set by the state board of equalization and will be available late this month. It is on the basis of this assessment that the county tax rate for 1950-51 will be based.

Winners Are Acclaimed In Amateur Show

TAHOE CITY— Winners of the Amateur Contest held last Thursday night in the Tahoe Tavern's Green Room were Rita Jardine, first place with a Sophie Tucker interpretation of "I'm the Lonesomest Gal in Town"; second place to Fred Timby, Tavern night clerk, who thrilled the spectators with his performance on the drums, and third place a tie between Marge Swenson's piano rendition of "Malaguena" and the songs and ukelele accompaniment of Mike Moran and Ken Kennedy.

There were nine numbers on the program, all good, including Tahoe City's young Jerry Quam with his excellent accordian solo, "Sharpshooters' March," which mas popularly acclaimed by the audience.

Those wishing to audition for the weekly Thursday night show are asked by Miss Helen Hicks. Tavern social director, to apply for an audition Monday nights at 9 o'clock or Thursday afternoon at 3:00. Everyone is welcome. Al Wallace and his orchestra provide the accompaniments.

Honeymoon couples now at the Tahoe Tavern or just departed include Merrs. and Mesdames Hrram Lee, Berkeley; R. Rattner, Los Angeles, and Dr. and Mrs. Ralph Spiegel of San Francisco. Now vacationing at the Tavern are Mr. and Mrs. E. A. Lippman, Mr. and Mrs I. M. Lippman, Mr. and Mrs. William Littvak and Mr. and Mrs. J. A. Fraser, all of Sacramento.

Judge Jones' Daughter Married at Tahoe

The lovely garden of Judge McCleary, sloping to the blue waters of Lake Tahoe on its Nevada sohre, was the setting for the wedding of Miss Helen Frances Jones and Thomas Burton Houston of Woodland. Immediate members of the families of the couple attended the ceremony, performed on Saturday, July 15.

The bride is the daughter of Judge and Mrs. George Jones of Nevada City. For the past few years she has engaged in library work at the Letterman Hospital in San Francisco. Houston is at present a member of the faculty of the Woodland high school.

Three new developments in Standard's laboratories

We picked these three developments to tell you about because they will probably never be manufactured by Standard of California.

Although we developed them, looking for ways to help some of our customers meet special problems, we expect to turn them over to other companies to produce. And this illustrates a point...

Everything we discover that can possibly benefit you is brought to you in some way ...even when the development leads us far outside our own field. And when we turn up a practical way to improve a petroleum product, we make prompt use of it and, in many cases, make it available to other companies under license.

Research at Standard is a vital, progressive force. It has called for an investment of more than $35,000,000 in the last ten years, but its results have been immeasurable...not only in terms of better products but in the creation of new jobs and greater opportunity for our own people and those in many other industries.

SWANEE'S TAHOE LETTER

Tahoe City, July 22, 1950

Dear Tahoeites:

On Friday last our little Chamber of Commerce vooth on the highway received a free ride as it was moved down the highway closer to the big pine tree which stands by the old Pullman diner. Brooks and Mandeville made short work of the task without untoward incident and we were soon established for business once again. Next door Standard Oil has completed erection of a larg er station and opened for the summer season last Thursday with John W. White of Reno in charge.

Condolences are being extended Mrs. Paul Webb of Tahoe Park whose 86-year-old mother, Mrs. Ella Nielsen, passed away Saturday at her home in Rodeo. Mrs. Webb underwent a painfully unusual experience on the following Tuesday, her birthday, when she laid her mother to rest at the Abbey of the Chimes in Vallejo at the same hour on the same day of the week on which she was born. Mr. and Mrs. Imon Mitchell gave her and her husband a belated birthday dinner on Wednesday evening at their home in Sunnyside.

At Holiday House, the lakeshore summer home of the Rudolph Zimmermans of San Francisco in Sunnyside recent guests included Mrs. Zimmerman's father, Louis Nonnenman of San Francisco and Lester Petri and daughter, Mrs. Jack Chillingworth, of Honolulu. The latter two are visiting Lake Tahoe for the first time and are more than entranced by our mountain wonderland.

Met my old neighbor Mrs. Earl Walker of Santa Barbara in the post office. She is now enjoying a vacation at her summer cottage in Timberland. She arrived a fortnight ago and hopes to remain until late August.

Back too to enjoy the summer at the lake is Mrs. Howard Jackson who is again residing at Ward Creek Cottages. She is remembered as a partner in the Mountain Gift Shop in Tahoe City which she and Mrs. Ruth Ables conducted for several years. Her husband has been employed for years by Sam Neff at the Tahoe Tavern express office.

Two of the Sierra Sun's old friends dropped me lines last week, assuring me they were glad I was back on the job again. They are Mrs. D. M. Brodehl of Lodi and Mrs. C. O. Valentine of Costa Mesa. Mrs. V. and hubby enjoyed their early vacation at the lake this year. They are always glad to hear of Tahoe's older residents through the medium of the Letter. Mrs. Brodehl's letter was equally welcome. She and her husband greatly enjoyed their four weeks visit at the Jay Shontz home earlier this year and also their visit during the 4th of July holidays at the Chico home of their late son Arthur's widow, now Mrs. Mildred Siljon. Their granddaughters, Janice and Toni Ann, had grown so they hardly knew them. Duane Pomin and Toni Ann accompanied the Brodehls home to Lodi for a two weeks vacation. A new dining room is now being added to their valley home.

Delighted to be back home, despite a most enjoyable trip east, is Mrs. Marie Henry of Tahoe City. Rie went back to Greenfield, Mass., to be with their daughter, Pat, when the story arrived. She left Tahoe the latter part of May as the newcomer was expected around June 12; but the little lady, who tipped the scale at 9 pounds 1 ounce, failed to arrive until July 13. So Rie had a much longer vacation than anticipated. Pat and little Mary Tabor are reported doing nicely. July is certainly a favorite month for birthdays in the Henry clan. Beside the newcomer, Grandmother Marie's is July 19, Mother Pat's is July 27 and Mrs. Mary Plannett's, the maternal great grandmother, is on July 29. Pat's husband, Lt. Lyman Wm. Griswold Jr., is an active member of the air forces and now engaged in Military Air Transport between the U.S., Germany and Africa. Rie likes Massachusetts but found nothing to compare with our Lake Tahoe region. A highlight of her trip was a visit to the Cathedral of the Pines in New Hampshire, an outdoor place of worship for all denominations. The congregation is seated on benches under the trees which surround the area on a large plateau which affords a view of lakes, mountains and valleys for a distance of 100 miles or more. Twenty-two denominations hold services there, each given appointed dates in advance.

Mrs. Jeannette Mitchell of Sunnyside is again a busy lady with her brood of youngsters visiting for the summer. They include Barry, Linda and George Franco of Sacramento and her nephew, Jamie Guy Lutz of Sutter.

Mr. and Mrs. Albert Stevenson of Long Beach, who are enjoying the month of July at Sunnyside Resort along with their daughter, Mrs. Ethel Severson and son Corky, this week are entertaining as their houseguests Mr. and Mrs. C. V. Wilson of Long Beach.

Grand weather continues as we go to press and traffic increases daily. Best of everything to you all until next week, as ever,

SWANEE

quicker...easier...cheaper...better

soon you'll wash automatically—at the set of a dial. No more scrubbing or dousing heavy wet clothes. No more filling or emptying tubs. Not one speck of "after-wash" clean-up.
wonderful Westinghouse Laundromats—wash, rinse, damp-dry garments to perfection. Plenty of hot, rain-soft water always on hand.
everything's clean in half an hour—No matter how many loads you have, that many Laundromats will be assigned to you. Finish all loads at once.
all so sanitary, too! Really hot water keeps Laundromats clean, sanitary. Each load individually washed—never contacts anyone else's garments.
for added convenience—the right proportions and amounts of soap, bluing, bleach available for nominal charge.
only a few cents a load—gives you all this washday freedom. Final drying in automatic clothes dryers costs even less.

Summit Scene

by F. COUILLARD

When our typewriter can't take us in hand you'll know that we're busy. Happy to say that our business is indicative of all businesses "on the hill" for all operators have really got their noses to the summer grindstone with all available local residents in there pitching too.

Elmo Moriano's swimming pool, Bud Horak's smorgasbord, the Chaplins' (Rainbow) and the Jones' (Soda Springs Hotel) maintenance of horse strings efficiently handled by the Burnal Euers, the horse string of Lonnie Goss' stabled at Donner Summit Lodge, the weekly movie at Bill Rutherford's Ice Lakes plus his Sunday bar-be-steaks plus the million dollars worth of shows, the motor boats and the outdoor dances of Hap Warnke and Red Vind at Donner Lake, the smorgasbord at Rancho Sierra, the Donner Ski Ranch operation—all of these add up to make the hill and its environs a vacation paradise de luxe. When it can be said that four events went on last Saturday evening simultaneously and all were profitably attended, nothing more need be said except that the hill is boomin'! And these are a forewarning of a bigger party to come for the grand opening of the modern "old swimming hole" at Elmo's, Bud's weekly Saturday night feast board, Ice Lakes' showing of an old chestnut starring W. C. Fields, and Hap's party for his water skiing contestants.

Under Lola Schull's guiding hands, the Community Club activities take on gigantic proportions when a work party can gather such equipment as mountain trucks belonging to various individuals and coax another piece of equipment out of Jerry Lewis that was simply indispensible and greatly appreciated, and in one afternoon repair the road into the Donner Trail Elementary School (really getting it in swell shape), build a backstop and a basketball stop, change the situation of the flag pole so that next winter's snows won't break it and still have time for a kids and adults pot-luck barbecue that left everyone tired, happy and definitely satiated. Some place iin the interim, they had time to peddle the four quarters of a lamb donated to the club by James Sherritt.

We digress to say that it's worth a trip over the hump to take a look at the paint job Jim is doing to his chalet. We can't say much more than that it leaves us breathless and the most startling thing we could say about it is that passing motorists slow down automatically to gasp at Sherritt's handiwork.

To return to Community Club doings, John Carl, the colorful mountaineer and rabid fisherman, who is treasurer of the club, dashes in to say that August 13 is the big day in his life. Under his guidance the first annual Junior Fishing Contest will be held. Any youngster under 16 who lives in the area bounded by Emigrant Gap and the Summit is eligible—both boys and girls. Contestants and their parents are invited to meet between 8 and 9 a.m. at the Snow Lab garage between Soda Springs and Norden that day, where they will be furnished with reasonable transportation to Westlake of the Summit area, the arena for the big event. To take care of Mama and Papa there will be bait casting and fly casting tournaments. Prizes for the kids will be given at the next Community Club meeting on August 17.

We're afraid many thinks have passed since we took up the grocery business and neglected our keyboard but we'll try to remember some important ones and summarize them:

On July 5 the veteran in snow promotion, Jerry Carpenter, visited the raea. A meeting was held at Beacon Hill Lodge with a buffet dinner on the banks of the new swimming hole. Carpenter's plans for winter sports promotion for the coming season prompted those who attended to make a motion to revive the Winter Sports Committee which operated so successfully a few seasons back, transformed into a year-round promotional deal. Attending were hotel and ski lift operators from Emigrant Gap to Donner Lake.

Eighty-five youngsters swim each morning at Moriano's swimming hole as the Red Cross gives the kids lessons. Nine in the morning is splashing time at Beacon Hill and if you parents in the area want to give the kids a good dunking under supervision we have some cards to fill out at the Soda Springs Grocery that will make it possible for the youngsters to get lessons for free.

Olaf Ager, the Scandanavian cross country boy that kept the skiing season open until mid-June with his cross country trips into the back country, accidentally took a good dunking in the swimming hole aforementioned, clothes and all. Olaf went down with a glass in his hand and while his slightly bald pate was submerged, his hand holding the glass could be seen. Need we say that he didn't spill a drop?

Two new babies have been addd to the Donner area cradle roll. Tiny Tim, the Tommy and Betty Vincencio baby, who was a trifle early and had to remain in the hospital for greater maturity, and the Herb and Jean Coleman infant of Kingvale.

Milo and Opal Grigsby haul their trailer up the hill and start their season of trapping for the state. Wouldn't seem like summer had arrived unless we saw Milo. Same goes for Joe and Emma Blackford of Cisco, who have their cottages up near the old Cisco station, and Paul and Bernice Ahart, who drive their sheep bands up from Lincoln each year.

Have a letter from Senator Harold Johnson which we would like to reprint in part. Many of you know the full story but it is put down in the senator's letter so concisely and to the point that it is nice to mull around: "The acquisition of Donner Memorial Park was completed August 20, 1948. The deed was from the Donner Lake Development Company and conveyed 344 acres for the consideration of $178,-750.00.

"The Division of Highways is at present working on roadways in the park area and the Beaches and Parks Division are working on camp sites and utilities with the expectation that the park will be ready for public use next season. The Division of Beaches and Parks have allocated approxmately $275,000.00 for the development of the park. There will be ready for use next season 50 camp sites and 50 picnic sites. Each camp site will consist of an eight foot table with attached bench seats, a cupboard and a barbecue fireplace. Rest room facilities will be available and water will be furnished through stand pipe taps throughout the camp area."

A few weeks ago, Helmer and Helen Bergman came up to the area from their Watsonville home and business and wished to be remembered to all of their many friends.

Van Udens Take Over Gateway Donut Shop

Dwain Freeman this week announced that he has sold his interest in the Gateway Donut Shop at Gateway Park to Mr. and Mrs. Earl S. Van Uden, who have taken over management of the establishment. Freeman said he will continue to operate his donut machine at the cafe but will not have any interest in the management of the place.

The Van Udens have been employed at the place for the past several weeks and plan to make improvements and enlarge the capacity. The cafe was only recently opened in the new business block built by R. Joseph just east of Gateway Motel.

Vocal Selections Heard At Tahoe Rotary Meet

HOMEWOOD— The Tuesday meeting of the Tahoe City Rotary Club was held on the dining terrace overlooking Lake Tahoe at Homewood Resort, President Jim Gowing presiding. Each of the 34 visiting Rotarians were called upon to introduce themselves.

Following the luncheon, Rotarians were entertained by Tex Kidwell, the singing cowboy who is entertaining guests of the resort each Wednesday evening. The musical program under the direction of Charles Beardsley of Pine Land Bowl, just south of Tahoe City, introduced Arthur Buck, talented tenor, who sang a number of selections. Then Mrs. Frances Carlson rendered three soprano selections. The singers were accompanied at the piano by Mrs. Beardsley.

Compliments were extended by the president to Program Chairman Denis Sach for his efforts in arranging such a well balanced program.

Becholts Buy Golf Links in Tahoe City

TAHOE CITY— Mr. and Mrs. Carl Bechdolt Jr., owners of Lake Chalets Motel at Tahoe City, last week completed purchase of the Tahoe City golf links from Gordon Hyde, who had owned it for the past four years.

The purchase price was not disclosed and no immediate change of name has been contemplated for the popular nine holes course.

The green fees have been lowered by the new owners and they are working to improve the velvet-like green. Additional work will be done later to enlarge the club house on the grounds.

Myers Mark 5th Year At Hut With Quartet

HOMEWOOD— Starting Saturday, July 29, Mr. and Mrs. Edgar R. Myers of The Hut at Homewood will present for seven nights the Gregg Harwood Quartet, a widely known and popular musical organization.

This quartet consists of piano-basso, guitar and drums and during intermissions at The Hut each night they are there, their recordings will be featured.

The Myers are offering the entertainment in appreciation of support they have received during the five years they have operated The Hut and ask the public to join them in observing their fifth anniversary at the popular resort, where good food, friendly service and clean fun predominate.

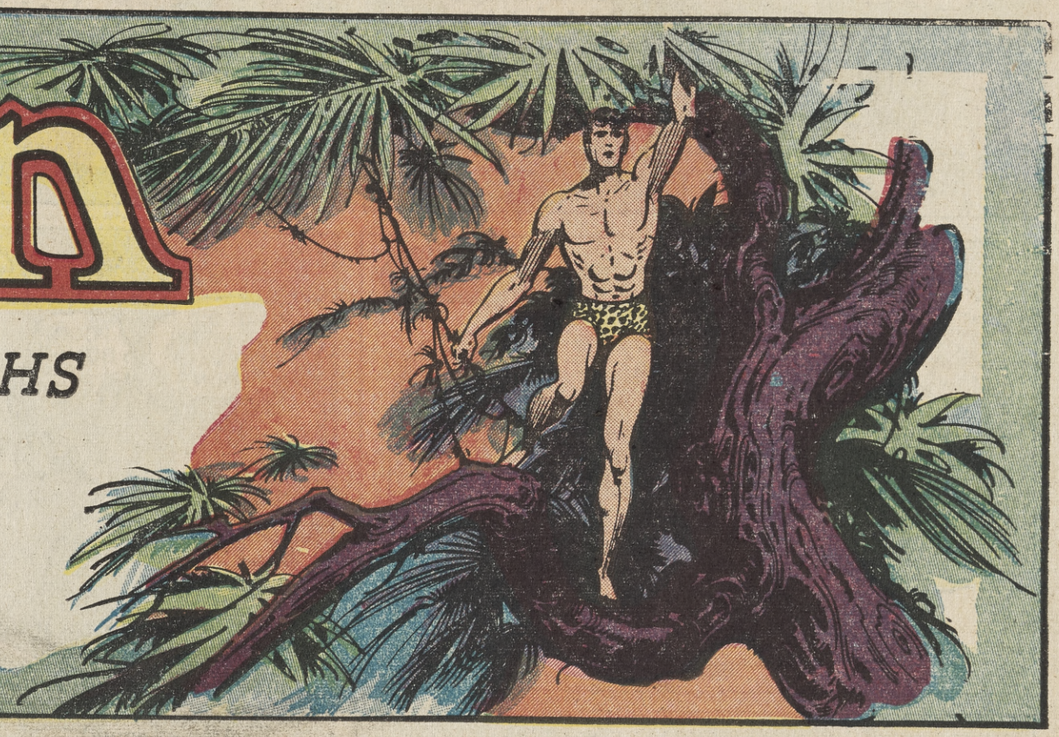
Tarzan

by EDGAR RICE BURROUGHS



WHILE TARZAN MADE HIS WAY TO THE RIVER RIMBA-AZUR, RUSS RAWSON SAT DISCUSSING THE CAPTURE OF WILD BEASTS WITH CURATOR COBB OF THE WINCHESTER ZOO.

"M-MM--FIVE THOUSAND IS REAL MONEY," RAWSON SAID. "I'M A PROFESSIONAL HUNTER, COBB---BUT TO BRING 'EM IN ALIVE IS ANOTHER MATTER. ESPECIALLY A RHINO AND A GORILLA. FOR THAT I'D NEED HELP."

"AND WHO MIGHT THAT BE?" COBB ASKED.

1/30

HOGARTH.

"TARZAN OF THE APES!" RAWSON ANSWERED. "BUT I'M NOT SURE HE'LL DO IT."

THE DAY WAS WARM AS TARZAN DIVED FROM A LOFTY PERCH INTO THE COOL, CLEAR WATERS OF A SECLUDED POOL.

HIS SINEWS FELT VIBRANT AS HE CAVORTED PLAYFULLY AMONG THE WATERING FOWL. SUDDENLY, TO HIS AMAZEMENT.....
